SS2020 – COASTLINE AND RELAXED LOOSE COVERS

BY THE SEA

Beach vibe

Sand and pebbles

Relaxation

We love the coastline and the country and relaxed loose cover is perfectly at home..

East Coast, West Coast, Long Island, Southern Highlands, Hamptons, Sea change Tree Change, it's all being loved...

Molmic has long been known for large scale timeless loose cover design and like many trends and forecasts loose cover, its relaxed and nostalgic appeal and perfectly imperfect style, supported by practical and sustainable attributes are having a renaissance.

Importantly it is also being strongly supported, promoted and followed through collaborations and influential followers across online social channels.

A combination of vintage and sophisticated chic...
